2. **INCONSISTENT PROVISIONS.** Acceptance of the Purchase Order to which these Purchase Order Terms and Conditions are attached or referenced (the "Purchase Order") is limited to the terms hereof, expressed or implied, and any additional or different terms or conditions in any written acceptance are proposals which do not become a part hereof unless Sparcz Engineering, Inc. consents thereto in writing. Any different or additional terms contained in Supplier's acceptance of the Purchase Order are hereby objected to and are superseded in their entirety by these Purchase Order Terms and Conditions.
3. **PURCHASE PRICE.** The purchase price(s) specified in the Purchase Order ("Purchase Price") shall not be subject to change without the prior written approval of Buyer. If no purchase price is specified herein, it is agreed that the Purchase Price will be the lowest purchase price for like goods of like quality charged by Supplier from the date hereof until the date of delivery and in no event will the Purchase Price be higher than last previously quoted or charged to Buyer.
4. **INVOICING AND PAYMENT.** Invoices shall be sent immediately after each shipment to: Sparcz Engineering, Inc., Accounting Department, at the address shown on the face of the Purchase Order. Payment for the items delivered under the Purchase Order will be made in accordance with the terms contained within the Purchase Order, following receipt of a valid invoice, or acceptance of such delivered items, whichever is later.
5. **QUANTITY.** The Purchase Order states item quantities required by Buyer. Buyer reserves the right to totally or partially reject any shipment from Supplier that does not contain the exact quantity of items ordered for that shipment.

 - a. **Representations and Warranties** - In addition to all express warranties set forth in the Purchase Order and all warranties implied in fact or law, Supplier expressly represents and warrants that all goods, products and services covered, sold, transferred or otherwise provided by Supplier to Buyer pursuant to the Purchase Order (collectively, the "Products") shall: (1) be of good quality and workmanship and free from all defects; (2) conform to and perform in accordance with all requirements of the Purchase Order, including, without limitation, all specifications, drawings and descriptions in the Purchase Order (collectively, the "Specifications") and all samples approved by Buyer (collectively, the "Samples"); (3) be merchantable and fit for the particular purpose for which Buyer has informed Supplier the Products are to be used; (4) comply with all applicable laws applicable to the Products when and where delivered ; and (5) not infringe any patent, copyright, trademark, or other proprietary right of any third party or misappropriate any trade secret of any third party . Acceptance of or payment for the Products shall not constitute a waiver of warranties. Buyer's approval of Samples furnished for inspection is to assist Supplier and does not relieve Supplier from responsibility to deliver goods conforming to all Specifications and all Samples.
 - b. **Covenants** - Supplier hereby agrees to: (1) maintain an organization with adequately trained personnel reasonably necessary to ensure that all Products comply to and perform in accordance with all requirements of the Purchase Order, including, without limitation, all Specifications; (2) maintain a suitable quality management system to ensure that all Products comply to and perform in accordance with all requirements of the Purchase Order, including, without limitation, all Specifications; (3) acquire, maintain and utilize within its organization the latest applicable

10. ACCEPTANCE AND REJECTION. Buyer will have the right to accept delivered items or give Supplier notice of rejection or revocation of acceptance, regardless of any prior payment, test, inspection, or passage of title. No inspection, test, delay, or failure to inspect, test or discover any defect or other nonconformance will relieve Supplier of any obligations under the Purchase Order or impair any rights or remedies of Buyer. If specific Buyer, Buyer's customer or government agency tests, acceptance tests, inspection and/or witness points are included in the Purchase Order, the Products shall not be shipped without an inspector's release or a written waiver of test/inspection/witness with respect to each such point; however, Buyer shall not be permitted to unreasonably delay shipment; and Supplier shall notify Buyer in writing at least Twenty (20) days prior to each of Supplier's scheduled final and, if applicable, intermediate test/ inspection/witness points. Buyer's failure to inspect, accept, reject or detect defects by inspection shall neither relieve Supplier from responsibility for such Products as are not in accordance with the requirements of the Purchase Order or these Purchase Order Terms and Conditions, nor impose any liabilities on Buyer. Buyer's final inspection and acceptance of any Product(s) does not preclude subsequent rejection or the waiver of any rights by Buyer due to a rejection of such Product(s) by Buyer's customer and/or any government entity or agency. If Supplier delivers non-conforming items or items subsequent to delivery through no fault of Buyer become non-conforming, Buyer may, at its option and at Supplier's expense: (i) return the items for credit or refund; (ii) require Supplier to promptly correct or replace the items; (iii) correct the items; or (iv) obtain replacement items from another source. Repair, replacement and other correction and redelivery will be completed within the original delivery schedule or such later time as Buyer's authorized purchasing department representative may reasonably direct. If the Purchase Order is terminated, in whole or in part, for Buyer's convenience, Supplier shall be paid an amount, to be mutually agreed upon, which shall be adequate to cover the reasonable cost of Supplier's actual performance of work under the Purchase Order to the effective date of termination, plus a reasonable profit thereon provided that no amount shall be paid to Supplier for (i) any anticipatory profits related to work under the Purchase Order not yet performed, or (ii) costs incurred due to Supplier's failure to terminate work as ordered on the effective date of termination. Buyer shall have no obligation to make any of the aforementioned

payments to Supplier, either for completed items or in connection with terminated work in process, unless Supplier shall establish to Buyer's satisfaction that such completed items, or the work in process, including materials, are unusable in connection with Supplier's other business. In no event shall the termination charges and all previous payments made under the Purchase Order exceed the total Purchase Order value shown on the face of the Purchase Order.

(ii) Protect and preserve property in the possession of Supplier in which Buyer has an interest.

(d) Payment for completed items delivered to and accepted by Buyer, and for the protection and preservation of property, will be in an amount agreed upon by Supplier and Buyer. Buyer may withhold from amounts otherwise due Supplier for such completed items or Contract Materials such sums as Buyer determines to be necessary to protect Buyer against loss because of outstanding liens or claims; and/or

(e) If, after notice of termination under this section, it is determined that Supplier was not in default, or that the default was excusable, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to the section entitled "Termination for Convenience."

Supplier represents and warrants that it will source, and track the chain of custody of, all Conflict Minerals contained in any products or materials provided by Supplier to Buyer in accordance with the OECD Due Diligence Guidance for Responsible Supply Chains of Minerals from Conflict-Affected and High-Risk Areas (or such other internationally recognized due diligence standard as Buyer and Supplier may jointly agree upon). At Buyer's request (which may be as frequently as quarterly at Buyer's discretion), Supplier must execute and deliver to Buyer declarations in the form of the EICC-GeSI Conflict Minerals Reporting Template as adopted by EICC-GeSI from time-to-time.

40. RESTRICTED MATERIALS. Upon request from Buyer, Supplier shall promptly provide Buyer with access to all necessary information and records evidencing the goods' RoHS and REACH compliance. Additionally, Supplier shall promptly provide material declarations upon request with respect to the goods provided to Buyer hereunder and subject to reasonable confidentiality provisions which enable Buyer to meet its compliance obligations, Supplier will provide Buyer with the chemical composition, including proportions, of any substance, preparation, mixture, alloy or goods supplied under the Purchase Order and any other relevant information or data regarding the goods, including without limitation test data and hazard information.
